Dr. A.A. Page . . . His Presence Will Always Be Remembered

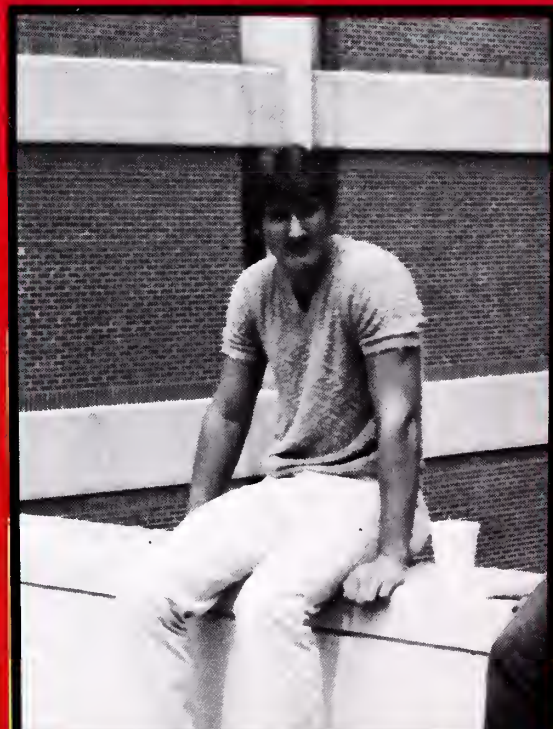

Dr. A.A. Page came to the hills of Eastern Kentucky in 1936 and God sent Eastern Kentucky truly a "Man to match the mountains." He was selected president of Pikeville College in 1941 and served that capacity until his retirement in 1962. Commissioned of God to serve in an academic institution, a faithful servant of his church, and a hard worker, that was Dr. Page. "He, being dead, yet speaketh."

Alma Culton

Approximately 200 students arrived at Pikeville College on Tuesday, Aug. 25, 1981, to move into dormitories and prepare for a week of testing and fun. The Student Government Association scheduled activities throughout the week for all students. Miller Washington, Steve Newsome, Kevin Stumbo, and Harvey Tackett (top right) welcomed the new faces to the campus. Gary Johnson, Laurel Bentley, and Rob Hansel (top left) came to the cook-out. Shelia Johnson, Jan Mullins, and Tammy Hall (middle) found a moment to relax after a day of testing as did Vicki King and Vanessa Rogers (bottom left). Freshmen Paula Hinkle, Charlene Bostic, Mary Ann Stanley, and Tammy Deerfield (bottom right) took a break from testing.

Welcoming The New In '82

Kevin Stumbo, president of S.G.A., and Robert Newsome, vice president (top right), served pancakes during PANCAKE NIGHT sponsored by the Student Government Association. This was one of several activities for all incoming freshmen and returning students during the first week of school. Johnene Billips and Kevin Stumbo (left) stopped for a pepsi at a booth set up on the parking lot beside the Administration Building. The booth was sponsored by the S.G.A. and East Kentucky Beverage.

Founder's Day Enchantment

The Rev. Dr. Donald C. McFerren (top right) opened as guest speaker during Pikeville College's Convocation. He was recognized as Doctor of Divinity. Many other people made Convocation a success including Dr. Hall and Kevin Stumbo (middle left) and the P.C. Choir.

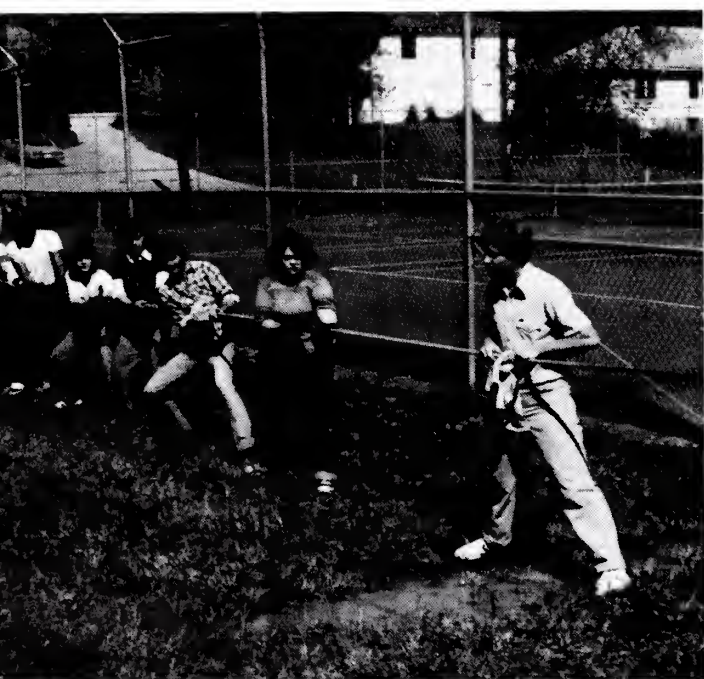

Many thrilling events highlighted Founder's Week at Pikeville College. Such events as the 99 step dash, the canoe race and the horseshoe tournament. An added event this year was the foot race covering approximately 2 miles of the campus. (middle bottom) Finishing first was David Thomas.

A truly exciting and certainly tiring event was the Bear Walk which covered 12 miles of streets throughout the town. The community as well as students participated in the fund-raising of \$1,700. (top left) Jimmy Goble stops at President Hall's house for a rest. (bottom left) Sandy Braham, Jerri Ward, Jimmy Goble and Brenda Hamilton kept on running and made it the 12 mile trip.

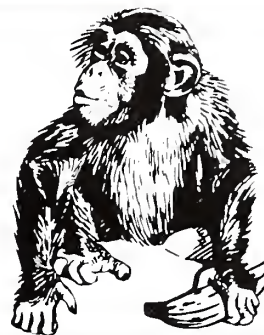

Activities!! Activities!!

Many new Founder's Day activities were planned by Student Government and an added event was the TUG-OF-WAR BATTLE. The rival teams gathered on opposite sides of the man-made mud hole and tugged . . . and tugged! The winning team (CENTER) consisted of: Jack Castle, Kay Craft, Les Burns, Nancy Johnson, Teresa "Chop" Ray, and Phil Green.

The BANANA EATING CONTEST proved to be unusual as students stuffed themselves while hoping to out-stuff their opponents. Teresa Justice, Melaine Dedden, and Jackie Leedy (TOP-LEFT), raced against the clock and Jackie won by finishing 12 bananas. Jimmy Barker, Steve Priode, Eugene Sisco and Harvey Tackett are ready (Center). Eugene wins by making 8 bananas disappear. (Top-right)

THE TALENT CONTEST was a huge success with many participating. Everyone got to look at the talent of our students. Winner of the Talent Contest and Most Original Award was Todd Wright. Second and third place winners were Charlene Scott and Jimmy Goble (Bottom left).

Celebrating Founder's Day

The highlight of Founder's Week was our Semi-Formal Dance held Friday October 9th at Graham Station. A decorating party was held the night before in order to make the atmosphere more enjoyable (Top-left).

WINNERS Michelle Moore and Ricky Kidd

The dance was a big success and the main event was the DANCE CONTEST. Twelve couples put on their dancing shoes in front of our panel of judges: Maragret Arnett, Peggy Davis, and J.D. Christle (top-left). Winners of the Dance Contest were Michelle Moore and Ricky Kidd (opposite page — bottom right)

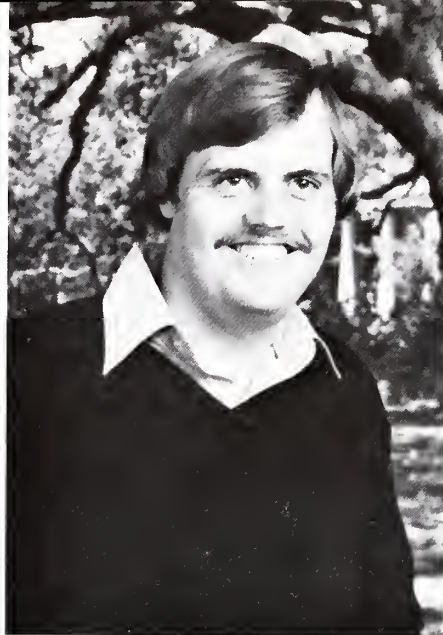

The dance brought many people out to have a good time. Danny Thomas and Madonna (opposite page — center left), David Thomas and Vicki Duncan (top-right), Tim Rice and Gary Thrash (bottom-left), Jack Castle and Kay Craft (below-right).

Seventeen Pikeville College students were selected to the 1982 edition of Who's Who Among Students in American Colleges and Universities. Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and future potential. They join an elite group of students selected from more than 1300 institutions of higher learning. Not pictured: Juanita D. Browning, Joyce D. Flowers, and Anna Hampton.

Parading Downtown

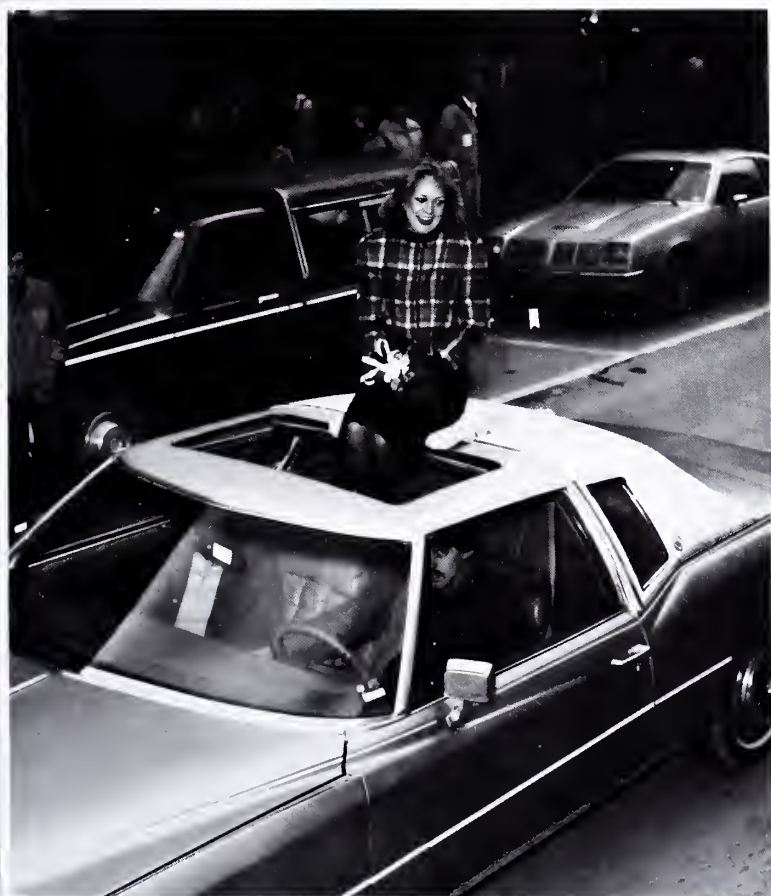

The 1982 Homecoming Parade involved many people aside from the Homecoming court. Coming to participate were bands from six area high schools such as Delice Combs, Dorton, and Belfry. Delice Combs was presented the best band trophy. Tiny Marching Majorettes from the area also came to help celebrate our homecoming festivities.

The P.C. Lady Bears fought a hard battle as they lost a heartbreaker to Cumberland in overtime with a score and of 71-65. Pikeville was led in scores and rebounds by Teresa "Chop" Ray who had 28 and 16. The other scores were as such; Cathy McDowell — 10 points; Jonna Benedict — 9 points; Sonia Honaker — 6 points; Pam Scott — 6 points; Tammy Dearfield — 4 points; and Trena Hensley — 2 points.

Bears' Triumph Makes Homecoming A Success

Greg Newsome makes one of his nine assists with this in-bound play.

Mike May plays an outstanding game and leads in scoring and rebounding with 29 and 21.

Steve Newsome uses a soft touch for this jump shot-two of his 18 points for the game.

The Pikeville College Bears kicked off Homecoming festivities on a positive note, rolling over the Campbellsville Tigers 92-85 on Friday, Dec. 4 in their first game of the season. The Bears consistently took advantage of the fast break and out shot the Tigers, making it 44-39 at the half. With three minutes left, the Bears went to a four corner offense to completely confuse the Tigers and claim a 92-85 victory. The Bears had 4 men in double figures as Mike May led with 29, Steve Newsome had 18, David Thomas 17, and Robert Newsome had a total of 15. (Rounding out the scoring were Greg Newsome with 7, Danny Thomas four and Rodney Rowe two points).

Greg Newsome and Danny Thomas led the team in assists with nine each. The victory moved the Bears' record to 5-3 on the season.

Danny Thomas shows his dribbling ability as he takes the ball to the Bears offensive end. Robert Newsome goes up for two. Newsome tallied fifteen. Senior Co-Captains David Thomas and Steve Newsome receives instructions from the officials prior to the game.

Dear Friends,

Being given a page to write a note to you provides me with a wonderful opportunity to express my appreciation, admiration and unwavering commitment to this fine institution. In a broader sense, this is a "letter of love" to all of you.

We have so much for which to be grateful here at the College: our students, who display an uncommon motivation to learn and a willingness to sacrifice to achieve their goals; our faculty and staff, who contribute to the quality of the program and exhibit a commitment and concern for the students; our Trustees, who serve loyally and willingly as overseers of the mission of the institution; our alumni and friends, both in the region and beyond, who share their resources in support of the College, so that it may continue to move forward; and to our forefathers and the Presbyterian Church, who saw a need for Christian education here in the mountains of Central Appalachia.

We look forward to the challenges ahead... and there will be challenges! Yet our mission is to provide a quality education for the people of the region. We remain committed to that goal.

It has been a rare privilege for me to be a part of this process over the past seven years. May God bless all of you, and particularly the Class of 1982. May we continue to work together for the common good of this College and the people it is destined to serve.

My warm regards.

Jack Hall

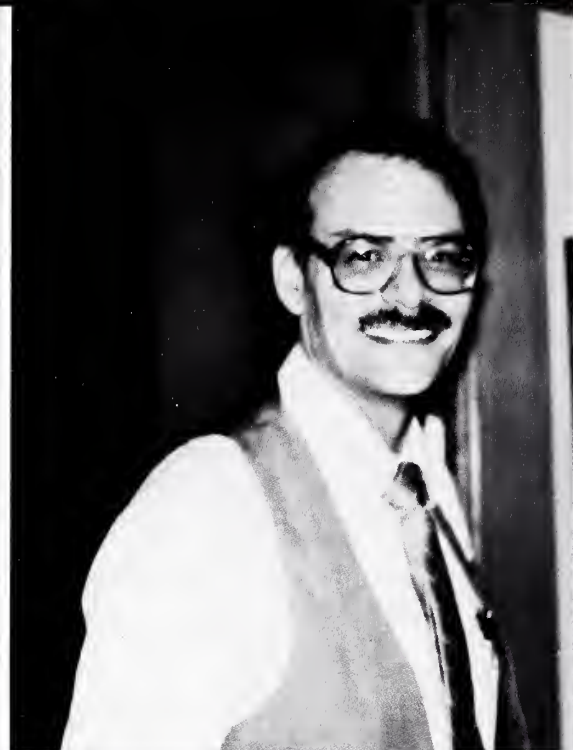

Dr. Jackson O. Hall ***President***

Dr. Jackson O. Hall has served as President of Pikeville College for seven years. Dr. Hall came to Pikeville College in 1975. He had attended Dartmouth College in Hanover, New Hampshire and received his doctorate from Cornell University in 1967. Dr. Hall has not only proven to be an excellent administrator, but a real "friend" to the students. The student's welfare is of prime interest to Dr. Hall. One could see him participating in school activities, attending ballgames or simply chatting with a student. His leadership ability is not limited to Pikeville College for he also shows leadership through his community involvement. Thank you Dr. Hall for your dedication!!

A large, stylized graphic of a triangle composed of the word 'ATHLETICS' repeated many times, set against a black background with white stars and a bright light source on the left. The word 'ATHLETICS' is written in a bold, white, sans-serif font. The letters are arranged in a grid-like pattern that forms a large triangle, with the word 'ATHLETICS' repeated many times. The background is black with white stars and a bright light source on the left, creating a cosmic or night sky effect. The overall composition is symmetrical and visually striking.

Rob Hansel of BCA is running with the ball but Spencer Maynard has his flag.

Football

Bud Buddies: Steve, Bird, and Les Burns show that the Bud Bunch is number one after a narrow but exciting victory over the Bourbon Cowboys. The Bud Bunch managed to stay number one when they shot the Outlaws with a final score of 40 to 0.

Kenny Taylor of the Bud Bunch (pictured left) dashes up the middle in a attempt to keep his team on top.

Who would have thought flag football could get this rough? The picture below shows that it is not exactly the easiest game to play.

Is that the kick that won the game for the Bud Bunch?

Ray, May Shine For P.C.

Teresa Ray

Ms. Teresa Ray, affectionately called "Chop" by friends, led the 1981-82 Lady Bears and the KIAC in many ways. "Chop", a Soph. Co-captain, was the nation's leading scorer with an average of 30.3 points per game. Ray, a 5'11" center, was fourth in the nation of women's basketball in rebounding as she pulled down 14.3 bounds per game. Her 74% field goal shooting mark placed her third in the nation in this category. "Chop's" high scoring game was 41 points against Union, and she pulled down 18 rebounds in a game against Alice Lloyd. Before a severe ankle injury forced Ray out of the line-up for the remaining 9 seasonal games, she led her team in scoring, rebounding, free-throw %, field goal % and shot-blocking. Ray, made the District 32 KIAC all-conference team easily due to her efforts of being the KIAC top score and rebounder.

Mike May

All American honorable-mention basketball player Mike May of the Pikeville College Bears led the KIAC conference in both the columns of scoring and rebounding. May, who scored at a clip of 22.1 points per game, had his high point game of 38 against Bluefield. In 26 games, Mike had 301 rebounds for an average of 11.5 per game. The 6'6" junior center started every game for the Bears, and contributed greatly to their 15-11 record. May made many of his points with a fine 65.9 Percent field goal, and a free-throw percentage of 71.8. The KIAC all-conference player showed off his talents in both the KIAC and District Tournaments in past season play.

'82 Spring Formal

Jerri Ward Crowned Queen

Friday, April 2nd, the college gym was the location of the last formal dance of the year sponsored by the Student Government. They worked hard to transform the gym into a setting which would fit the theme "Southern Nights." Everyone danced the night away while being entertained by "Fanatics" from Louisville.

Highlighting the dance was the presentation of the Spring Formal Court, voted on by the student body. Jerri Lynn Ward of McDowell was crowned queen by last years queen Brenda Hamilton (bottom). Jerri was escorted by Brian Turner.

Cafeteria Gets New Look!!

When looking at the before picture of the cafeteria (TOP), and comparing it to the recent ones (BOTTOM), one can easily appreciate our new cafeteria. The dramatic change has set a much more enjoyable atmosphere for the students. Meals, melodramas, pizza nights, movies, banquets and various other school activities have all taken place among the attractive surroundings. These surroundings include; new tables, a large snack bar, a beamed ceiling, tin shutters and several mounted animal heads. J.D. Christle, director of food services, played a large role in the renovation of the cafeteria which was made possible, in part, by a grant from the Pugh Foundation.

J.D. CHRISTLE is known for his creative ability which he has proved many times. (MIDDLE) Here, J.D. is pondering on what to do next.

Melodramas Prevail

Drama came to the cafeteria with the first Pikeville College buffet-theatre on March 18. The cafeteria is a great place to perform the productions because of the portable stage surrounded by lights. The first production entitled *The Perils of Priscilla and Alias Smedley Pewtree*, was a big success. Because of increased enthusiasm, a second production was staged entitled *Noah and His Sons* which was equally successful.

Computer Programing

The Computer program at Pikeville College proved to be an important asset. Several classes in computers were offered last year with many more being planned for the future. The group pictured won the contest for christening the seven computers with interesting names. From left to right: Larry Francis, Georgene Burgess, Juanita Lyons, and Kevin Stumbo.

HONORS HOUSE

These young ladies were selected to live in Pikeville College's Honor's House. The eight room, two story brick house is pictured at the right. Residency in the house is to be allotted to those upper classmen 3.00 or better. From left to right, Vicki Duncan, Sharon Cantrell, Karen Burke, and Melissa Johnson. Not Pictured was Jennifer Varney.

The Honor's House

A large, stylized graphic of a triangle composed of the word 'ORGANIZATIONS' repeated many times, set against a black background with white stars and a bright light source on the left. The word 'ORGANIZATIONS' is written in a white, sans-serif font, and the triangle is formed by the words being stacked and slightly offset to create a three-dimensional effect. The background is black with numerous small white dots representing stars, and a bright, multi-pointed starburst is visible on the left side.

A Last Goodbye!

1981-82 HIGHLANDER Co-Editors Jerri Ward, Brenda Hamilton

Working on the 1981-82 HIGHLANDER has been an experience that we will never forget. Meeting deadlines, taking photos in a hurry, spending hours in the darkroom, finding typewriters, and trying to be creative at 4 o'clock in the morning, all were a part of a finished yearbook. We would like to take this opportunity to mention just a few of those whom have contributed to this year's HIGHLANDER.

A note of appreciation to our advisor Marian Yarus.

Tom Brush, yearbook representative, and Susan Huffman offered many helpful suggestions that proved to be of great help. It was greatly appreciated.

A very special thank you goes to Art McDonald for taking time to help in making, developing, and printing of many of the HIGHLANDER'S photographs. Without these people, the yearbook would not have been as successful.

JERRI WARD

"Being Co-Editor of the HIGHLANDER was definitely a challenge to me. It got hard at times but I enjoyed the work even though the results were to be long foreseen. I hope this yearbook will bring enjoyment and fond memories to everyone at P.C. because we did it for you. I want to personally thank the yearbook staff who did a fine job and especially Jane Wallace and Rose Smith who stuck by me during the last two months of deadlines when the going got rough. A sincere thanks goes to Sheryl Cable, assistant editor, for her dedication and Brenda, my co-editor, for her support and her sharing of our responsibilities throughout the year."

BRENDA HAMILTON

"In the course of completing the HIGHLANDER I would like to express my thanks to every individual who helped make this a successful yearbook. Without each and every one of you, the yearbook would have been lacking in some part. I especially owe a debt of gratitude to my co-editor, Jerri, who has been dedicated and has given her all to make

sure this HIGHLANDER was a success. Jerri and I have given our best efforts in hopes that this yearbook will exemplify a year at P.C. and hopefully will be looked upon to recall many memories. I dedicate my part in completing the yearbook of the graduated seniors of 1981-82."
